The line to heaven by Christ was made With heavenly truths the tails are laid, From earth to be ven the line extends, To life eternal, where it ends,

Repentance is the station-house, Where pussengers are taken in; No fee for them is there to pay, For Jesus is himself the way.

The Bible is the Engineer, It points the way to heaven so clear. Through tunnels dark and dreary here, It does the way to glory steer. God's love the fire, His truth the steam,

Which drives the engine and the train, All you who would to glory ride, Must come to Christ, in Him abide. The first, the second and third, class, Repentance, Faith and Holiness, You must the way to glory gain, Or you with Christ can never reign,

Come then poor sinner, now's the time. At any station on the line,
If you repent and turn from sin,
The train will stop and take you in.

A FEW SHORT YEARS-AND THEN

A few short years-and then The dream of life will be Like shadows of a morning cloud In its reality.

A few short years-and then The idols loved the best, Will pass in all their pride away, As sinks the sun to rest,

A few short years-and then

Our young hearts may be reft Of every hope, and find no gleam Of childhood's sunshine left. A few short years-and then

Impatient of its bliss, be weary soul shall seek on high A better home than this.

TEMPERANCE TO THE RES-CUE.

Oh! Temperance, where are thy champions? Where are those valient Knights, who a few years ago were so brave in thy defence, and who made such desperate charges against King Alcohol?
